

## **VOLUNTEER OPPORTUNITY**

**Winter Warming Station  
January 8 through March 28, 2018  
Susan Zubik Welcome Center  
212 Ninth Street, downtown Pittsburgh 15222**

Every winter, Catholic Charities opens the doors to our Susan Zubik Welcome Center (located on the ground floor of our building at 212 9th Street) so that our neighbors in need can receive shelter from the cold, warm drinks, and snacks. We are looking for volunteers to help make the Welcome Center a warm, inviting space by keeping the hot chocolate flowing and the room clean, and by providing a warm greeting and fellowship to our guests. We are looking for volunteers who are:

- Over the age of 18,
- Can commit to 2-3 hour shifts,
- Are comfortable working with a diverse population,
- Will be available through the winter,
- Have or are prepared to get their background checks (free of charge), and
- Wish to volunteer alone, or are bringing a group of no more than five.

The warming station is open weekdays between 8:30 am and 3:00 pm and Saturdays from 9:00 am to 3:00 pm. You can commit to morning or afternoon shifts.

Please contact Bonnie Rolison at [brolis@ccpgh.org](mailto:brolis@ccpgh.org) if you have any questions.
